“Demonstrates unwavering resolve to do whatever must be done to produce the long-term results, no matter how difficult”

-“Level 5 Leadership: The Triumph of Humility and Fierce Resolve” by Jim Collins

This poster represents the dedication necessary to become a level 5 leader: unwavering resolve. Successful leaders respect their employees, lead by example, are humble and understand the meaning of hard work. What else could be as daunting as a journey *up* a raging waterfall? Success comes from hard work, and that journey *up* the waterfall shows the resolve and dedication of the kayaker. In the face of adversity, and perhaps even his own death, a true leader shows excellence by not giving up and seeing things through to the end
